

# Slidev Xebia Theme Starter

Presentation slides for developers

# What is Slidev?

Slidev is a slides maker and presenter designed for developers.

-  **Text-based** - focus on the content with Markdown, and then style them later
-  **Themable** - theme can be shared and used with npm packages
-  **Developer Friendly** - code highlighting, live coding with autocompletion
-  **Interactive** - embedding Vue components to enhance your expressions
-  **Recording** - built-in recording and camera view
-  **Portable** - export into PDF, PNGs, or even a hostable SPA
-  **Hackable** - anything possible on a webpage

# All layouts

A lot of layouts are available out of the box, all styled with the official Xebia presentation theme.

- cover
- cover-dark
- toc
- toc-two-column
- intro
- intro-duo
- default
- two-column
- three-column
- three-column-dark
- image-left
- image-left-dark
- image-left-variant
- image-right
- image-right-dark
- image-right-variant
- chapter
- thank-you
- thank-you-dark
- end

# Layout cover

The cover slide. If not overridden, this will be used for the first slide.

## Layout cover-dark

A variation of the cover. Note that background properties can be manipulated as well.

# Layout toc

## Subtitle

Provide a table of contents of your presentation.

# Layout toc-two-column

## Left column

Variant of the table of contents with two columns.

## Right column

  Lorem ipsum dolor sit amet, consectetur  
  adipiscing elit.

# Layout intro

**Janet Doe**

Senior Consultant

Used for personal introduction. Write some fun content about a speaker and their hobbies.

# Layout intro-duo

**Janet Doe**

Senior Consultant

Some content.

**John Doe**

CTO

Some other content.

# Layout default

This is the fallback when layout is not specified.

# Layout two-column

## Left column

For two column layouts with an optional header.

Find Xebia icons [here](#)

## Right column

Lore ipsum dolor sit amet, consectetur adipiscing elit.

# Layout three-column

## Title

Create a table in Xebia style  
using Markdown table syntax.

## Add images

## Colors

Variation of color per column

# Layout three-column-dark with explicit line break in title

For three column layouts with an optional header.

This is the first column.

This is the second column.

Third column.

- You can create lists etc.
- Another item
- Another item

# Layout image-right

## Subtitle

Slide with image on the right side. Text can be long and is wrapped to the space available.

Find Xebia photos [here](#)

# Layout image-right-dark

## Subtitle

A variation of the image-right layout.

# Layout image-right-variant

## Subtitle

A blob variation of the image-left layout.

Note: requires a content section.

A blurred background image showing a person's hand using a computer mouse on a desk. The desk also has some papers and a notebook. A large dark purple vertical bar is positioned on the right side of the slide.

# Layout image-left

## Subtitle

Slide with image on the left side. Text can be long and is wrapped to the space available.

A photograph showing a person's hand using a white computer mouse on a light-colored wooden desk. To the left of the mouse, there is a white bowl and some papers. In the background, a yellow spiral-bound notebook and a blue folder are visible. The right side of the slide features a dark purple vertical bar.

# Layout image-left-dark

## Subtitle

A dark variation of the image-left layout.

# Layout image-left-variant

## Subtitle

A blob variation of the image-left layout.

Note: requires a content section.

Chapter 42

## Layout chapter

Chapter 21

## **Layout chapter- dark with a long title**

## Layout thank-you

Thanks and so long!

# Layout thank- you-dark

Thanks and so long!

# **Layout end**

Used to end the presentation.

## Slidev specific features

# Code highlighting

Use highlighted code snippets.

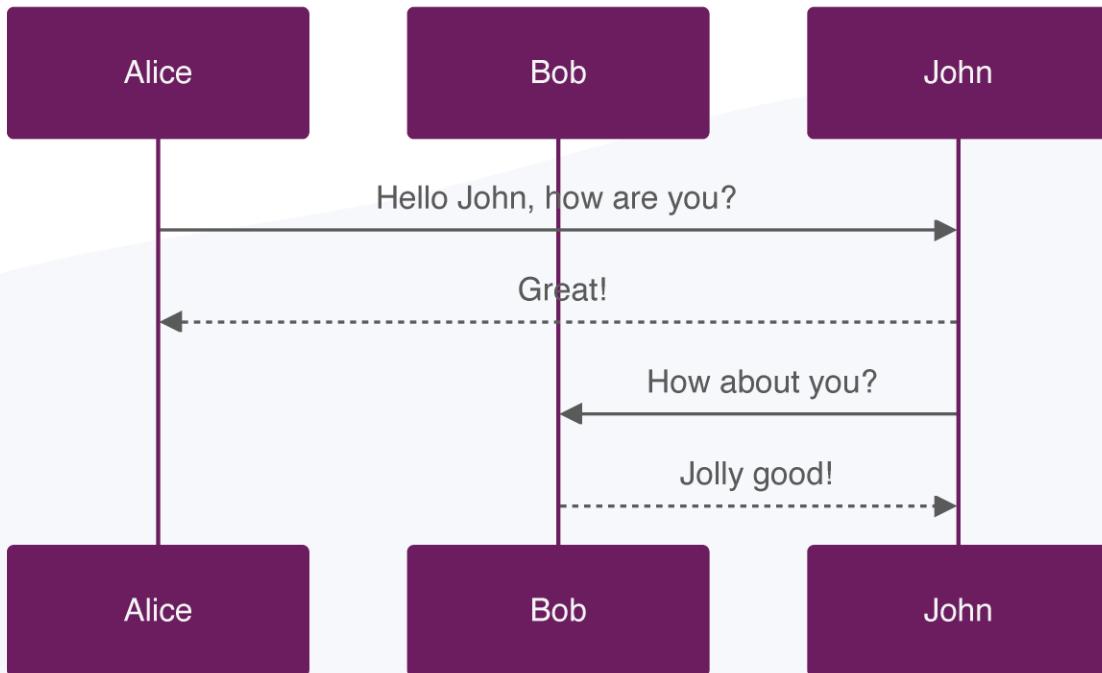

```
interface User {  
    id: number;  
    firstName: string;  
    lastName: string;  
    role: string;  
}  
  
function updateUser(id: number, update: Partial<User>) {  
    const user = getUser(id);  
    const newUser = { ...user, ...update };  
    saveUser(id, newUser);  
}
```

# Mermaid graph diagrams

Quickly add diagrams with Mermaid.

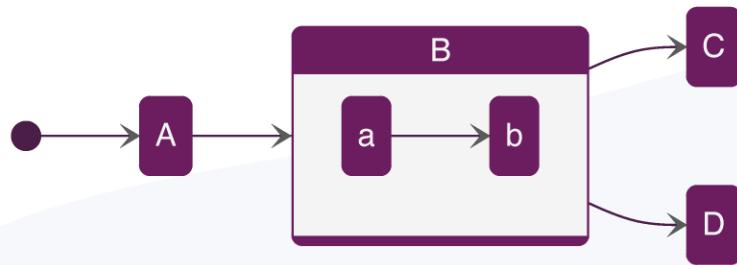

# Mermaid sequence diagrams

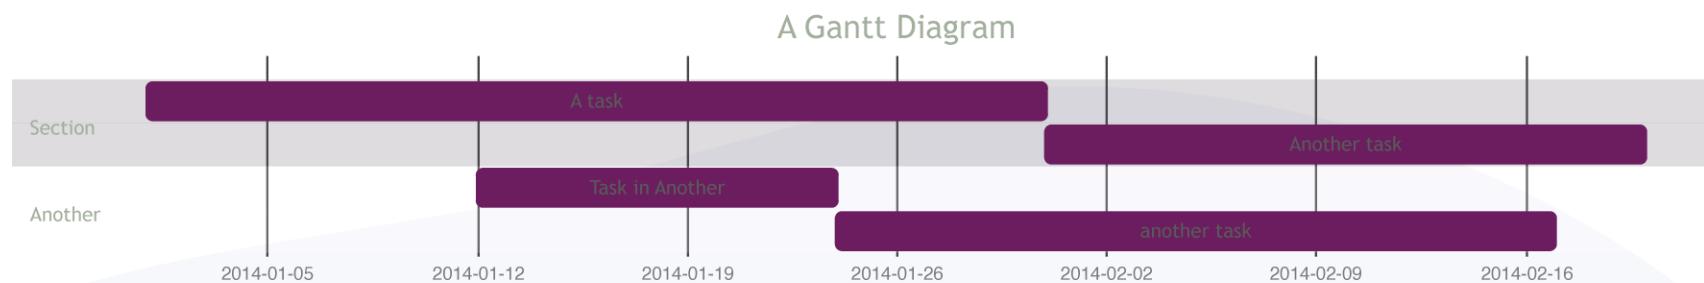

# Mermaid state diagrams

Create elaborate state diagrams.

# Mermaid Gantt chart

## Embed tweets

## Embed videos

The image shows a video player interface. In the top left corner is a circular profile picture of a person with dark hair and glasses. To the right of the profile picture is the text "Slidev First Preview Demo". In the top right corner is a share icon with the word "Delen" next to it. The main content area features a large teal play button icon with a yellow triangle pointing right. To the right of the icon, the word "Sliderv" is written in a large, bold, teal sans-serif font. A red YouTube-style play button icon is integrated into the letter "i". Below "Sliderv", the text "Preview Demo in 30s" is written in a smaller teal font. At the bottom left, there is a black bar containing the text "Bekijken op" followed by a YouTube logo and the word "YouTube".

Bekijken op  YouTube

# Math equations

Inline equations:  $\sqrt{a^2 + b^2} = c^2$

Block equations:

$$\zeta(2n) = (-1)^{n+1} \frac{B_{2n}(2\pi)^{2n}}{2(2n)!} \quad (1)$$
